

2026 - Volleyball Frequently Asked Questions

1: When do Volleyball Leagues start? We start April 20, 2026. 1st session will run for a total of 8 weeks (7 weeks match play and 1 week of playoffs), 2nd session will run for a total of 9 weeks (8 weeks match play and 1 week of playoffs), and the 3rd session will run for a total of 10 weeks (9 weeks match play and 1 week of playoffs). After each session there will be a patio party which includes free food, drinks, and raffle prizes for participants. There will be 3 Sessions:

- **1st Session runs from April 20,2026 through June 11,2026, 1st Session Party 6/12/2026**
- **2nd Session runs from June 15,2026 through August 13, 2026, 2nd Session Party 8/14/2026**
- **3rd Session runs from August 17,2026 through October 22, 2026, 3rd Session Party 10/23/2026**

2: How much do they cost? If you opt to sign up for all 3 sessions the cost is \$400. If you want to sign up for individual sessions the cost is \$180. Each week there are referee fees (\$12/match per team).

3: How many females are needed on a team? These are Co-ed leagues meaning, Trappers always requires at least one female on the court.

4: What is the format? Teams play three sets to 21 points, if the first two games are split, then the third game is win by two, cap at 25. All three are counted toward the team's overall win/loss record. If a specific night has full registration, then the third game may be to 15. If that is the case, then the third game will always be win by 2 cap at 21.

5: When are the game times? Matches start times are typically 6:00 pm, 7:00 pm, 8:00 pm, 9:00 pm, and 10:00 pm.

6: Are matches ever cancelled due to weather? We play in rain, snow, sleet, fog, and sun! We may delay by half an hour if there is lightning, but we play through the rain. If there is ever a change, captains will be notified. Please do NOT call the restaurant with questions about cancellations or weather delays! We will post on FB, email the team captains and get the word out in the event that matches are cancelled.

7: Does everyone make playoffs? We try to take as many teams as possible for the playoffs. The number of teams is determined by the court space we have available, so each league is different. Playoff information is emailed to captains after the league

play is completed. The email used to register the team is the email that will receive the information.

8: What are the levels of play? For tournaments, we have all levels from our popular and strong Open Level to fundraisers that take all levels. For leagues, we have the levels divided into three different categories Advanced (A League)(Gold), Intermediate (B+ League)(Silver), and Recreational (B League). We try to make the leagues as competitive as possible, while having fun. What does this mean when registering your team?

- **Advanced:** all players on the court are able to pass, serve, set, and attack at a high level.
- **Intermediate:** all players on the court are able to pass, serve, set, and attack the ball at a level that still needs work but are able to do so while following the basic rules of volleyball.
- **Recreational:** players are playing to enjoy themselves while not necessarily being overly competitive. Players need work on the basic skills of volleyball and are trying to learn to become better.

9: Where can I find standings? Our website is easy to navigate, and you'll be able to see your scores after we enter them. If you have any questions, you may email or FB message our Trappers Volleyball Page.

10: Playoff Teams If you play on more than one team, you will have to decide which team is your playoff team. Players may play on only one team for the playoffs. Teams are not allowed to bring in new subs for playoffs.

11. Good Sportsmanship Conduct- if a higher-level player is playing on a recreation level team, they will have to play as a team player – no jump serves allowed, no hard swings or passing ball over on first hit and serves must be softer. Swearing is not tolerated, and good sportsmanship is emphasized.
